Beth Marconi - VP Event Coordinator

Terri Carr - VP Volunteer Coordinator

Alicia Duff - VP Communications

Matthew Harris/Mark Jones - Co - Treasurers

Upcoming Events:

Staff appreciation week is one week later at Lupin due to Outdoor Ed. Staff Appreciation day on May 15th - Lunch, gift cards and prizes

Summer kick off event on June 7th - Photo Booth, games, silent auction, In and Out Truck.

Year book - Veronica still needs photos for yearbook and you can order yearbook on PS

Morning Mile - May 29th will be the last day due to assembly on the 31st. Announce running achievements of students at the assembly

Book Fair - last day today. Thank you Erin for the book fair! It was great.

Read-a-thon still going on right now, log your minutes on website we have raised \$ 5000 for the school which is amazing and unexpected.

Dr Marzouk:

It will be a busy last month of school. Many grade levels going on Field trips next week and there is also CAASPP testing for grade 3-5.

Attendance - Lupin hill has really low attendance rate compared to other schools in the district. Please try and keep your kids in school and encourage regular attendance, schedule your vacations around breaks.

There are some changes in the budget so we are moving special classes around. Visual and performing arts will be split up so kids will have one art class for half the school year then music for the other half. They will hire STEAM teachers to provide specialized, schedule weekly visits to the OWL. F

Finishing up enrollment for next year which seems to be up but we can still take more students. The more students/stable enrollment the less split classes etc.

Any questions ?

There will be an after school program called CLASS ACT available for families who want their kids to experience more performing arts.
